

# Five questions to ask besides “Should I get my MBA?”

---

Am I hungry for new skills and knowledge?

Do I know the next steps in my career?

Am I ready for a big change?

Is my network cutting it?

Do I want to make more money?

## The Value of an MBA

---

93%

of MBA graduates say they'd go back and do it again, knowing what they know now.<sup>1</sup>

In 2018,

many MBA graduates fielded salary offers in the low six-figures.<sup>2</sup>

47%

MBA graduates can still expect to earn starting salaries that are on average 47 percent higher than those for business bachelor's degree graduates.<sup>3</sup>
